The Rules

Parent Obligations & Rules

1. You are legally required to sign your child in and out for each day. You may pick up your child from the excursion – however the educators will need to be notified prior to the excursion day in order to make the necessary adjustments.
2. If you do not want your child to participate in any particular activity that your child is attending, you must notify us in writing via email.
3. Please ensure that if your child has any dietary requirements or preferences, these are communicated prior to the excursion so that we can cater for your child when possible, otherwise please provide adequate food for your child.
4. Parents with considerable outstanding debt may have their child excluded from Senior's Program activities.

Children's Obligations & Rules

1. Unless specified, students must wear the Jamboree Height's SS uniform, enclosed shoes and are required to bring a hat if the activity has any outdoor element.
2. Unless specified, phones, devices and toys are not to be brought on excursions. In the event they are, they are the responsibility of the child. Misuse will result in confiscation.
3. Some excursions may require students to bring money or GoCards. These are the responsibility of the student and **not** the educators attending.
4. Inappropriate, disrespectful or any behaviour that may negatively portray the school or places people (including the student) at risk of safety, will result in the student being excluded from Senior's Program.

Mystery Tour

Each year in Term 4 we operate *Mystery Tour*, an exciting night packed full of excursions and good times to celebrate their time at OSHC. JHOSHC are the only OSHC in Australia to offer this kind of experience, so we only take students who earn the privilege.

To attend Mystery Tour, students must **attend a minimum** of 10 Senior's Programs throughout the year **or** regularly attend OSHC.

Year 6 students who do not act in safely, responsibly or respectfully both at OSHC and during Senior's Program may be excluded from Mystery Tour.

A: We usually average between 15 and 30 Year 6's depending on the date of the activity and size of the Year 6 cohort.
