Public Holiday

# What's Happening?!

## Out Of This World

Come and join us in a fun and exciting Flight and Space STEM workshop. Children will launch their very own rocket's at the end for a spectacular show for all.

Please note – ALL children must bring their own empty bottle of a 1.25 litre soft drink bottle to be able to launch their rocket's. No bottle = no launch.

## Outdoor Oasis

**Juniors (Preps – Year 2)** - Make your own stuffed bunny that you can personalize and give a unique touch to. You can choose your bunny and add a special feature to it. Plus, you can even give your new furry friend a name that suits its personality and take it home.

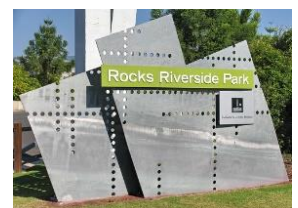

**Seniors (Year 3 – 6)** – At Wildlings Forest School, children can dive headfirst into nature, sparking their curiosity and building lifelong memories through independent, nature-led play. Wildlings Forest School is a unique nature adventure play program, specifically designed to let children explore the natural world under the guidance of experienced Play workers and Mentors. It's a place where kids are free to be kids – to imagine, build, explore and create on their own terms. So come along and get creative and make a raft or cubby and even see if it floats in the creek. **Please ensure your child is wearing their school polo shirt and a full morning tea, lunch, hat, water bottle and closed in shoes must be worn.**

## Autumn Vibes

Warm up in the sun at Rocks Riverside Park and enjoy a sausage sizzle for morning tea and a soft serve ice cream from Aarav Ices. Plenty of games and walks to explore or even come along and find some creepy crawly bugs on a bug hunt.

**Please ensure your child is wearing their school polo shirt and a full morning tea, lunch, hat, water bottle and closed in shoes must be worn.**

## Dig It

**(Juniors Preps – Year 2)** - Australia's first mini excavator park for kids, Dig IT, is the latest adventure drawcard located within Thunderbird Park. Prepare yourself for real excavator machinery and construction-inspired activities where the kids are IN the driver's seat! Fully instructed fun for kids. You don't need any experience, or even a driver's license – just a willingness to give it a go!

**Please ensure your child is wearing their school polo shirt and a full morning tea, lunch, hat, water bottle and closed in shoes must be worn.**

**Seniors (Year 3 – 6)** - Let's see what amazing designs the Seniors come up with while the Juniors away with their very own Spin Art Wall Clocks to take home.

### Hercules Street Park

**Seniors Program** - Year 6 only students will get the opportunity to visit Hercules Street Park in Hamilton. There they will get to explore the park and its amazing playground. The children will also be treated to Pizza, drinks and snack. Children are welcome to bring their own lunch as well.

### Gone Fishing

As requested by the children, we are visiting 2 Bent Rods again but this time at Shorncliffe. Also, bait gathering with a yabby pump

- Rod casting
- Fishing
- Lots of Jetty fun & beach games at the park.

NB – Full lunch, morning tea, hat and water bottle must be provided.

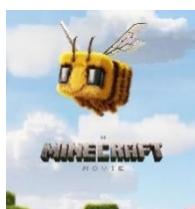

### Hop Hop Hooray

Amazing Kids Parties will have you entertained all day with a very special visit from the Easter Bunny and his little Alice in Wonderland helper. They will take you on an Easter Egg Hunt and you can even get your photo with them. After that, you can visit the lovely face painters and balloon twisters. Don't forget to take home your Easter cupcake as well!!!

### Adventure Seekers

For the first time we are going to Limelight together but splitting up into two Cinemas. The Juniors will watch DogMan2 the titular hero, a canine-human hybrid created through a life-saving surgery, must once again face off against his arch-nemesis, the mischievous cat Petey, who this time has escalated his villainous plans by cloning himself to create a mini-kitten named "Lil Petey," allowing him to double his crime-causing abilities; Dog Man must use his unique skills and heroism to stop Petey's chaotic schemes and protect the city.

While next door the Seniors can sit back and enjoy the new Minecraft movie where a mysterious portal pulls four misfits into the Overworld, a bizarre, cubic wonderland that thrives on imagination. To get back home, they'll have to master the terrain while embarking on a magical quest with an unexpected crafter named Steve.

All children will receive a lolly bag, chips and a popper.
